

HUTS WEEKEND

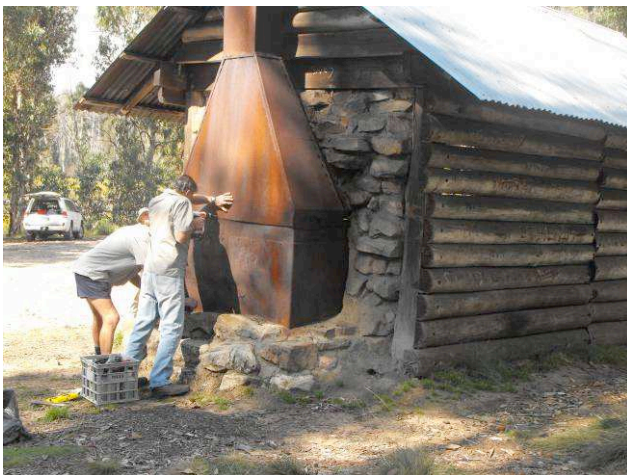

9 Club members Graham & Sue Abotomey, Allen & Vicki Davis, Glen Norton, Bruce Gooday and Craig, Lauren and Selina Cheetham attended the weekend and as the saying goes, 'Many hands make light work'!

We left Oxley at 9.30am and arrived at Cobbler at approx 11.00am and with so many willing workers all the minor tasks were completed very quickly.

We were lucky enough that one of our members, Glen Norton is a plumber and with all the right gear supplied by Glen completely rescrewed the roof. It should last another 20 plus years now.

As all works planned were completed by early afternoon, a couple of members decided to hike to the top of Mt Cobbler. A few canoed on the lake and the rest set about setting up camp for the night.

Bruce and the Cheethams headed back home late in the afternoon.

Sunday a run out to Mt Speculation capped off a good weekend and the weather was perfect.

I would like to thank those that put in the effort to attend the weekend and I have passed on the weekend's achievements to Terry Kingston at Parks Victoria, Whitfield.
