

Benefits of joining our Club

Four Wheel Driving is an activity which enables us to experience and enjoy our country, with scenery from the magical remoteness of the deserts to the breathtaking views of the High Country. Travelling together as a Club helps us to provide safety and security to all in the form of shared responsibility and experience, as well as the fun of travelling and camping together.

- *Safe group trips with responsible and experienced trip leaders*
- *Meeting people with similar interests*
- *Driver Education*
- *Camping*
- *Monthly Meetings*
- *Guest Speakers*
- *Monthly Club Magazine*
- *Family Social Activities*
- *Environmental Education*
- *Involvement in Community Service*
- *Discounts on Equipment and Accessories*
- *Insurance at reduced rates*

WANGARATTA FOUR WHEEL DRIVE CLUB

**Responsible
Four Wheel Driving
& Family Touring**

Wangaratta Four Wheel Drive Club

A family oriented club formed in 1983

Members from across the northeast region meet regularly to enjoy Four Wheel Drive trips and other social activities.

We hold a range of trips from easy trips and base camps, where camper trailers and caravans are welcome, to difficult trips which require experience and training.

Favourite destinations:

Destinations include Wonnangatta, Mt Speculation, Pineapple Flat, Black Ranges, Talbotville, Buckland Valley, Omeo and many more.

Members have also taken extended trips to Cape York, Kakadu, Simpson Desert, Canning Stock Route and Tasmania.

Proud participants of the Adopt a Hut Program

Lake Cobbler Hut: Originally built in the early 1900s as part of the Lovick grazing licence. It was rebuilt by members of our club in 1984 after fire, and again the following year! It was also repaired after the 2007 fires.

Top Crossing Hut was restored by Club members in 2001 and repainted after fires in 2007.

Community Service:

We are actively involved in bushfire recovery, track clearing and various other community services.

"Driving in a sustainable environment"

Victorian Association of Four Wheel Drive Clubs

As a member of Four Wheel Drive Victoria our club has access to:

- 4 Wheel Driver Training Courses
- An active role in track management
- A united push to keep YOUR tracks open to all
- Environment Management plans with respect to 4WDing
- Bi-monthly magazine 'Trackwatch'

Meetings:

Our club meetings are held on the second Tuesday of the month, generally at the North East Car Club Rooms, Tarrawingee at 8:00pm.

Visitors are welcome
