

# Christmas Party

Sunday 28<sup>th</sup> November was the club Christmas party, held this year at Lake William Hovel. This was a great venue for a picnic and the water sports were a big hit with all the kids. It was fantastic to have such a great turn up of families, and so many kids that I lost count.

There were games a-plenty with egg and spoon races, tunnel ball challenge, canoeing and cricket. After a couple of days of heavy rainfall around the district, we were lucky to end up with good weather, although some might say it was too cold for swimming, just don't tell the kids! Santa paid us a fleeting visit, and some even caught a glimpse of him in Craig's Santamobile. Thanks to Dave and Chris for all the work setting up for the day, and everyone else who pitched in. We all had a very relaxing and sociable gathering.
