The Department of Environment and Primary Industry's website at <http://www.depi.vic.gov.au/fishing-and-hunting/recreational-fishing/fishing-locations/northern-victoria-inland-fishing-maps/buckland-river> has a map on how to get there.

Members and guests who want more information on how to get to AH YOUNG camp ground can call either Tom Barnard (President of Wangaratta 4wd club) on Mob: 0466 185 464 or Damian O'Connor (Trip Co-ordinator) on Mob: 0417 526 175. We should be able to steer you in the right direction.

### **The Program**

There will be a few members setting up camp on Friday night for anyone wanting to come a bit earlier. (We are hoping to have the club banner up on the entrance to the camp site Friday night)

**Saturday afternoon drive** — There will be a short 3 hour or so drive Saturday led by our President Tom Barnard, starting about 1pm so members and guests can get settled in and set up camp beforehand.

On return from the drive in the late afternoon Graeme and Helene Martin (our very own members of the club from *Alpine Gourmet Goodies*) will have some nice nibbles made up to munch on before we get the campfire cracking and sit down to a nice main meal and dessert.

**Guest Speaker** — Our post-dinner guest speaker is a two time gold medal winning Paralympian whom will be joining us all weekend.

**Saturday night drive** — Later on in the night there will be a night drive for the adventurous or you can choose to just relax by the fire with good company.

**Sunday morning drive** — As we climb, crawl, roll out of bed (or even be pushed out of bed). We will have breakfast served up to us by *Alpine Gourmet Goodies* before we pack up our camp and venture out for our last drive of the weekend.

All drives Saturday, Saturday night and Sunday will be classed as Easy to Medium rated. If wanting more information on the tracks and condition please give Tom Barnard a ring on Mob: 0466 185 464 as Tom will be leading all 3 trips as Trip leader.
